

ARX 20

LIGHT TANDEM VIBRATORY ROLLER
EU Stage V / US EPA Tier 4f

LIGHT AND ARTICULATED

The Ammann ARX 20 Tandem Roller is a light, articulated ride-on roller that delivers optimum compaction results through its double-drive and double-vibration systems.

The roller works flush against curbs and other obstructions to eliminate the need for special edge compaction efforts. The ARX 20 is built with high quality, long-lasting components that reduce the cost of ownership over the lifetime of the machine. It is reliable, economical, safe and fuel efficient.
